FOR IMMEDIATE RELEASE

Frailey Insurance and Financial Services Christmas tree project benefits Monroe County Area Agency on Aging and The Gardens at Stroud

(Stroudsburg) It's our responsibility to be involved and give back to our community as part of Frailey Insurance and Financial Services' mission. As the holidays approach, it's a perfect time to do just that. Starting Monday, November 2, the public, clients, friends and family can support the Christmas tree project, **Angels for Aging**. The event is being coordinated by the Frailey team at their office located at 1286 N. Ninth Street, Stroudsburg.

"This is our ninth year supporting the elderly in our communities. By engaging in this project, we are enhancing the quality of life of some Monroe County senior citizens age 60 and older. We are doing this by picking a name or two off the tree and fulfilling their wishes. We then wrap the gifts, attach their name, and place them under the tree. Gifts will be picked up on Friday, December 4, 2020. It's always a pleasure making a difference in the lives of others. I encourage anyone who is interested to come in and pick a name from our tree," says Josephine A. Fontan, project coordinator and Member Servicing Advocate/Training Supervisor.

"Many of the seniors that we serve have outlived their families, and are also low income. The thoughtful gifts given by Frailey Insurance and Financial Services are sometimes the only holiday cheer that these individuals receive during the holidays. It makes such a huge difference!" states Gretchen Peters, Community Services Supervisor at the Monroe County Area Agency on Aging.
